

1091 - Traveler who prays ‘ishaa’ prayer need not re-pray it upon returning home

the question

Does a person need to re-perform Isha salah four rakaat when he reached home, although he has done the Isha salah two rakaat jama' with maghrib whilst he was still in musafir?

Detailed answer

Praise be to Allah.

;

A traveler may combine the Maghrib and Isha Prayers, shortening the Isha Prayer to two rakaat only. Once one has done so, one is resolved of obligation and need not re-pray the Isha Prayer even if one reaches home during the time of the Isha Prayer.
