Detailed answer

Praise be to Allah.

Do recording Angels enter a house with pictures?

Yes, the [recording angels](#) who write down the deeds of the son of Adam enter houses in which there are images.

Do Angels of mercy enter a house with pictures?

What is meant by the angels who do not enter a house in which there are images are the angels of mercy.

Al-Bukhari (3226) and Muslim (2106) narrated from Abu Talhah (may Allah be pleased with him) that the Prophet (blessings and peace of Allah be upon him) said; “The angels do not enter a house in which there is an image.”

Why don't the angels of mercy enter a house with pictures

An-Nawawi (may Allah have mercy on him) said:

“The scholars said: The reason why they do not enter a house in which there is an image is because it is a grievous sin, and it is competing with the creation of Allah, may He be exalted, and some of them are images of things that are worshipped instead of Allah, may He be exalted.

With regard to these angels who do not enter a house in which there is a dog or an image, they are the angels who go round with mercy, blessings and prayers for forgiveness. With regard to the [recording angels](#), they enter every house and never leave the sons of Adam under any circumstances, because they are enjoined to list and [record their deeds](#) .” (Sharh Muslim, 14/84)

It says in Tuhfat Al-Ahwadhi (8/72):

“The words “the angels do not enter” mean: the angels of mercy, not the [recording angels](#) or the Angels of death.”

Ibn Al-Athir (may Allah have mercy on him) said:

“What is meant is the angels who travel about and not the recording angels and those who are present at the time of death.” (An-Nihayah, 4/789)

As-Suyuti (may Allah have mercy on him) said:

“Al-Khattabi said: What is meant is the angels who bring mercy and blessings, not the recording angels.” (Sharh An-Nasa’i, 1/141)

Shaykh Muhammad ibn Ibrahim (may Allah have mercy on him) was asked: Are his words “The angels do not enter a house in which there is an image or a dog” general in meaning and do they

include the recording angels or not?

He replied: "It seems that they are not included in this." (Fatawa wa Rasa'il Muhammad ibn Ibrahim, 1/169)

What are the images that prevent angels from entering a house?

The images which prevent the angels from entering a house are images of animate beings, apart from images that are dealt with in a disrespectful manner.

Al-Khattabi (may Allah have mercy on him) said:

"The [angels](#) do not enter a house in which there is a dog or an image that it is forbidden to keep. With regard to that which it is not forbidden to keep, such as a dog for hunting, farming or guarding livestock, or images that are not dealt with in a respectful manner (such as) those on carpets, pillows and the like, the angels are not prevented from entering because of them." (Tuhfat Al-Ahwadhi, 8/72)

Shaykh Ibn `Uthaymin said: "If the images are treated without respect, such as images on carpets or pillows, the majority of scholars are of the view that they are permissible. Based on that, the angels are not prevented from entering that place, because if they were prevented that would be not allowed." (Liqā' Al-Bab Al-Maftuh, 85/6)

Can you pray in a place where there is an image?

With regard to praying in a place where there is an image, it is not permissible, unless the Muslim is forced to pray in that place and is not able to remove the image.

The scholars of the Standing Committee for Issuing Fatwas said:

"[Praying in places where these images are is not permissible](#) except in cases of necessity. The same applies to praying in clothes on which there are images of animals; it is not permissible, but if he does it, his prayer is sound but he is committing a forbidden action." (Fatawa Al-Lajnah Ad-

Da'imah, 1/705)

And Allah knows best.
